This Neighborhood (NBHD) Code Listing report is currently in alphabetical order. It is sorted by the NBHD Codes, then by the subdivision within the assigned code. If you do not find the subdivision you are looking for, please call the Assessor's Office at 402-593-2122 for assistance.

Those subdivisions with the same NBHD code are considered one market area. The Sarpy County Assessor's office uses these defined market areas to determine the market value for ad valorem purposes.

To contact the appraiser of a specific NBHD please look to the initials and then the phone number below:

RES APPR = Residential Appraiser

SG	Shane Grow	593-2360
SC	Sheila Carnes	593-4137
JEM	Jameson McShane	593-1592 – Agricultural & RES
GG	Greg Gage	593-4362
CL	Christine Lytle	593-4140
BH	Bret Hollingsworth	593-4361

Commercial NBHD codes have a different meaning than residential. With commercial/industrial, the code is associated with the occupancy/use if improved and based on land valuation. That being said, each parcel within a subdivision could have a different NBHD code, and therefore, commercial NBHD codes are not listed. Please contact any one of the commercial appraisers directly.

COMM = Commercial Appraisers

Tim Ederer	593-2126
Cole Meyer	593-2284
Sarah Rushing	593-1566
Steve Lauver	593-2372
